RE: Addendum to August 07, 2008 Response to July 3, 2008 Letter Concerning GeoTracker Status for Foothill Gas, 16210 Foothill Blvd., San Leandro, CA: ACHCSA Fuel leak Case #RO0000457; RWQCB Case #01-2261; GeoTracker Global ID T06000102077.

Dear Mr. Plunkett;

This letter is provided as an addendum to the August 07, 2008 sent in response to your letter dated July 3, 2008 concerning the GeoTracker Status of the former Foothill Gas, 16210 Foothill Boulevard in San Leandro, and is provided on behalf of the addressees Hadjian & Simin Hooshang.

In response to your letter a "stake was claimed on the site" in GeoTracker on August 05, 2008. An "Authorization Form For Electronic Submittal of Data Creating Consultants As Authorized RP Agents" was filled in and signed by the undersigned and Mr. Hadjian Hooshang on the early evening of that date and sent to the State Water Board on August 6, 2008. A site map was uploaded on August 15, 2008. A copy of the receipt is attached.

Your letter directs the responsible party to "Survey the monitoring wells (if applicable)." As the monitoring wells were last surveyed in January 1999 to then current standards, the three monitoring wells at the 16210 Foothill Boulevard property were surveyed on August 17, 2008. GEO_XY and GEO_Z were uploaded to GeoTracker on August 23, 2008. A copy of the receipts are attached.

Please do not hesitate to email h2ogeol@comcast.net or call the undersigned at 925-373-9211 should you have any questions.

Sincerely,

Gary D. Lowe, P.G. (3768), C.E.G. (1559), C.HG. (127)
Principal, Hydrogeologist
