Hi Elena,

My last directive letter was November 10, 2011. I am not aware of any submittals or correspondence since then so the due dates in the November 10, 2011 letter still apply. Any requests on case RO458 would need to come from the responsible party.

Regards,

Hi Jerry,

Based on your conversation with Mansour it sounded like we didn't need to send you any formal extension request for this project.

I just wanted to confirm it.

Sincerely,
