Dear Mr. Hwang:

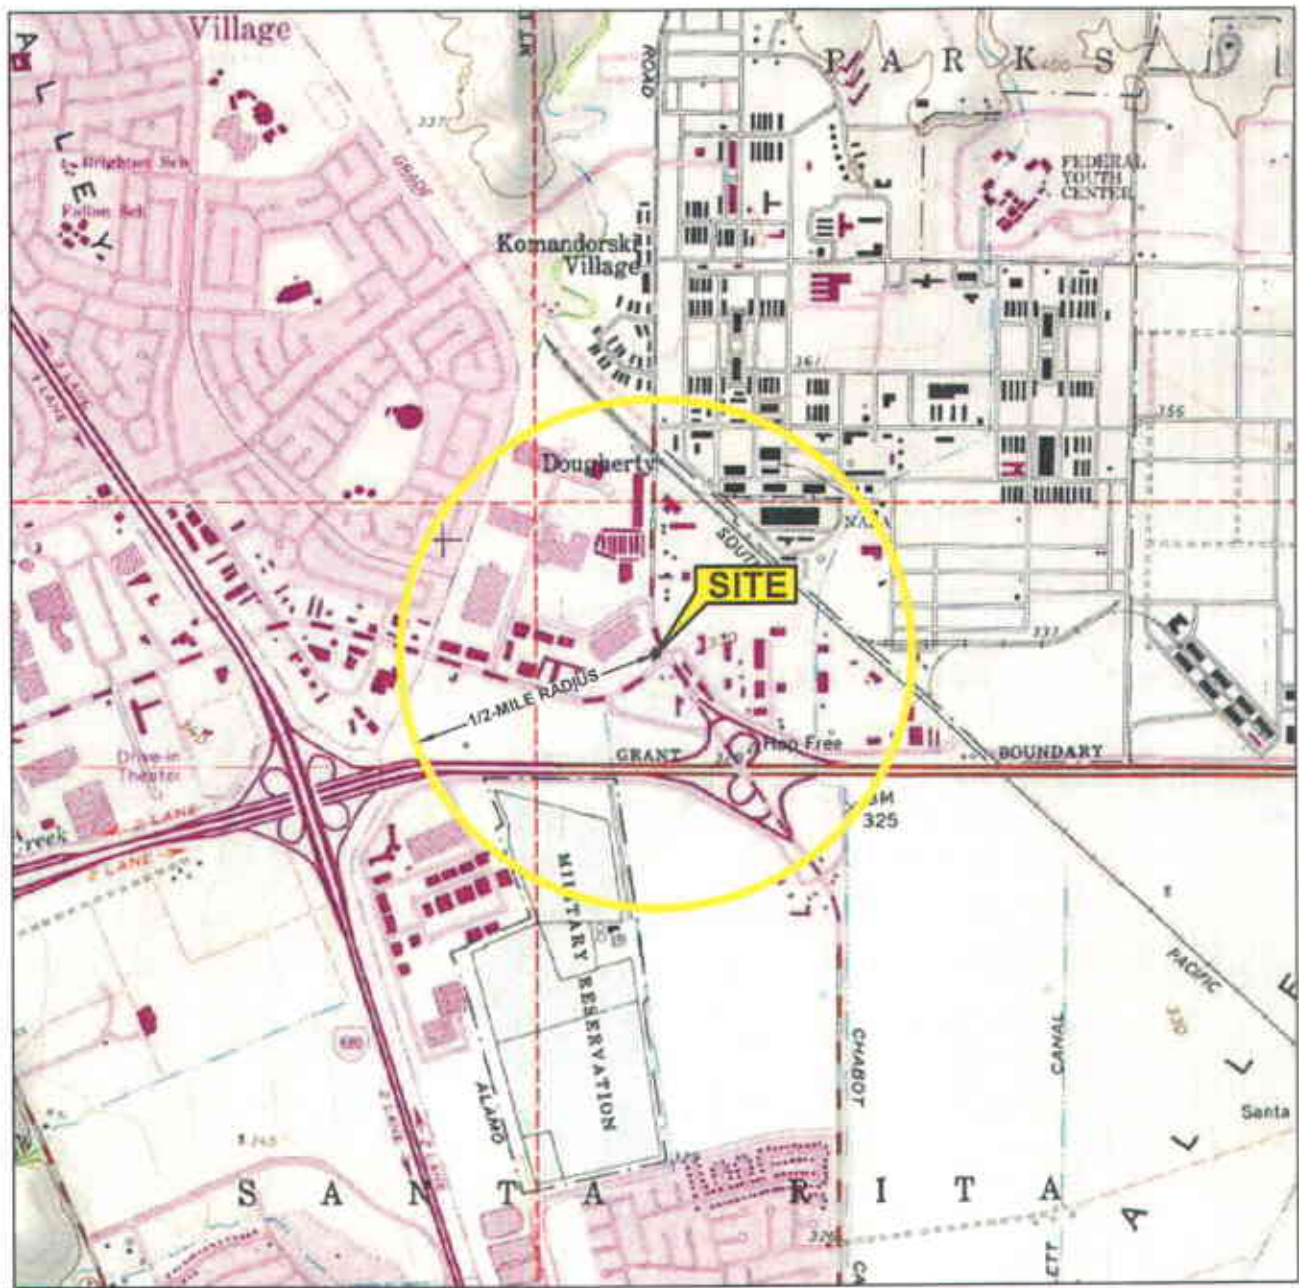

On behalf of ConocoPhillips, TRC is performing a sensitive receptor survey for the above referenced site. The survey is for the area within a 1/2 mile radius of 6401 Dublin Boulevard in Dublin. We are requesting from you the authorization to continue with this survey by viewing Well Completion Reports for the domestic and municipal wells located within a 1/2 mile radius of the subject site. Upon your signature and return, the attached Well Completion Report Release Agreements from the Department of Water Resources and from the County of Alameda Public Works Agency Water Resources Section will be forwarded to each agency, respectively.

Should you have any questions, please feel free to call Keith Woodburne at (925) 688-2488 or myself at (925) 688-2482. Thank you for your time.

Sincerely,  
TRC
