Unocal, 3 MWs removed during road widening, do they need to replace MWs?

Told him to contact barney for specifics on site & whether new MWs needed

MW 2, 4, 6 & 7

08/10/05, Lee Thompson, City of Dublin, 925-833-6630

Will be purchasing portions of these properties for road widening project next year.

MWs in area to be turned into roadway. They want to cut well casing, resurvey & place new traffic box. Recc he work with oil companies re: alterations to MWs, gave him contact info for ARCO (Christie) & Conoco (Kosel). Additionally, recc arrange for road contractor to sub out work to appropriate contractor. Well permitting: contact Zone 7 water.
