It looks like T&T wants to move on this. Do they have to resubmit plans?

I told her that updates on WC ins., copy of h&z mat cont, + plan updates would suffice.

Thompson + Thompson

Kira Comini:

Trying to contact Paradise for cost estimate in order to make a decision which way to go - do it themselves or go w/ contractor on tank removal. I gave Kira until 3/8/91 to get back to me on this decision.

PC

3/11/91

Spoke with Kira who said they have definitely decided to have Paradise do the tank pull. She did not have a time frame. I instructed her to contact Paradise + work out a time frame, then get back to me with it. PC

Called Kira 3/21/91 - left msg to get back to me w/ a date by which plan will be submitted.
