Sarah Giorgio Cambria called on 8/18/2005 regarding site. Turned in RFC wonders when we get to it. I said I would put it on my list.

Greg Barry of Grubb Elleis, real estate person for buyer called on 10/11/2006. Wanted to know when site would get closure. Explained that site was under review with Water Quality Control Board and could not give a time frame.

Greg Barry called on 10/26/2006. Closure signed by Cherie at RWQCB, will send out well decommissioning letter tomorrow. Schedule for decommissioning up to Cambria's consultant. Takes only a few days to send out completion certificate after we receive well decommissioning report.
