Subject: Notice to Comply - Fuel Leak Case No. RO0000490 and GeoTracker Global ID T0600101187, San Francisco French Bread, 3924 Market Street, Oakland, CA 94607

Dear Responsible Parties:

A review of the case file for the above-referenced site indicates that your case is currently in not in compliance with Alameda County Environmental Health's (ACEH) October 23, 2014 correspondence (provided as an attachment), which required the submittal of a work plan by December 12, 2014. Over 2 months have lapsed and the work plan has not been received.

The work plan for implementation of site characterization and/or cleanup at this site is crucial to be protective of human health and the environment and to move this case towards closure evaluation. Please note that as Responsible Parties, you are required by California Code of Regulations, Title 23, Division 3, Chapter 16, Article 11, §2720 through §2728 to characterize the site and, if required, to implement corrective action.

Additionally, a review of ACEH's FTP site indicates that the water well at the subject property was destroyed under permit without the approval, or knowledge of, ACEH. Undertaking any work at a regulated site without the knowledge of the regulatory agency is not an acceptable practice.

In order to regain compliance, please submit the work plan, and electronically upload all documents to GeoTracker and ACEH's FTP server by the date specified below. Failure to submit the implement the corrective action by the due date specified below may result in an issuance of a Notice of Violation and possible enforcement action by the District Attorney and/or ineligibility for reimbursement of corrective action costs incurred at the site from the Underground Storage Tank Clean-up Fund. Furthermore, ACEH may recommend removal of this site from eligibility to the Underground Storage Tank Cleanup Fund. Pursuant to Chapter 6.7, California Health and Safety code, civil
