Subject: Notice of Enforcement Referral; Fuel Leak Case No. Fuel Leak Case No. RO0000502 and GeoTracker Global ID T0600102249; Chevron #9-2142 (Independent), 4150 Redwood Rd, Oakland, CA 94619

Dear Mr. Hill:

This is a notice of enforcement referral for the subject site. Site Responsible Parties have not completed work as requested by Alameda County Environmental Health (ACEH) and are recalcitrant in implementing site investigation. As a consequence, Alameda County Environmental Health (ACEH) is referring this site to the San Francisco Bay Regional Water Quality Control Board for enforcement actions. At present the subject site is making limited progress, and multiple deliverables are late.

Please be aware that not all historic documents for the subject fuel leak case may be available on GeoTracker. The complete historic case file for this site is located on the Alameda County Environmental Health website at: <http://ehgis.acgov.org/dehpublic/dehpublic.jsp>.

Should you have any questions, please contact me at (510) 567-6876 or send me an electronic mail message at [mark.detterman@acgov.org](mailto:mark.detterman@acgov.org).

Sincerely,

Mark E. Detterman, PG, CEG  
Senior Hazardous Materials Specialist
