It appears that everything is there. Thank you for keeping the same names.

Hi Barbara,

Just checking to see if you were able to confirm whether or not we are in Geotracker compliance, for the Downtown Toyota facility located at 4145 Broadway Oakland?

Thanks!

Good afternoon Ms. Jakub,

As per the letter you sent on August 6, 2012, regarding Electronic Submittal of Information (ESI) Compliance for the Downtown Toyota site in Oakland, RGA has uploaded the documents asked for in the letter attachment and should be back in compliance. Please let us know if you have any questions or concerns.

Best regards,
