Subject: Fuel leak case RO510 - C&L Trucking, 2460 Wood Street, Oakland

Hi James,

I am reviewing a work plan for the subject case. In the mid-1990s, our agency had requested the installation of two groundwater monitoring wells. The consultant- not the same as the one 20 years ago- says only one well was installed. Can you check your records for the address(es) and see if there is documentation regarding well installation.

Other addresses associated with the parcel include 2403 Willow St., 2431 Willow St., 2400 Wood St., and 1700 24th St.

Thank you,
Keith
