Subject: Extension Request Approval; Alameda County Department of Environmental Health Fuel Leak Case No. RO0000510 and Geotracker Global ID T0600102253, C&L Trucking, 2460 Wood St., Oakland, CA 94607

Dear Ms. With:

Thank you for your phone conversation on May 31, 2017 requesting an extension to the submittal date for your case. Alameda County Department of Environmental Health (ACDEH) staff originally agreed to a one month extension. However, a similar request was received via electronic mail from Gary Aguiar of Hydro Analysis Inc. (HAI). In his correspondence, Mr. Aguiar outlined a schedule of work indicating an updated work plan would be submitted by July 21, 2017, with the findings of the investigation presented in a report by August 18, 2017.

Therefore, ACDEH approves the extension request for the work plan submittal to July 21, 2017.

ACDEH looks forward to working with you and your consultants to advance the case toward closure. Should you have any questions regarding this correspondence or your case, please call me at (510) 567-6764 or send an electronic mail message at keith.nowell@acgov.org.

Sincerely,

Keith Nowell PG, CHG
Hazardous Materials Specialist
