Dear Mr. Khatri:

Atlantic Richfield Company (hereinafter "ARC") has prepared this correspondence to provide you with written notice of the following information for the above referenced location.

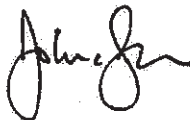

ConocoPhillips (hereinafter "COP") is in the process of finalizing the divestment of property and/or fueling systems located at the above referenced site. As part of this divestment process, the environmental consultant for the site has changed effective March 17, 2009 from Broadbent and Associates and Stratus Environmental to Delta Consultants. Transition meetings have been held to ensure an effective transfer of knowledge, verify the site remediation lifecycle status, and confirm pending deliverables and deliverable due dates.

The existing ARC site contact remains the same. We are requesting that all correspondence, directives and other inquiries and information regarding this site be copied to the following:

Delta Consultants
312 Piercy Road
San Jose, CA 95138
Attn: Tony Perini

Thank you for your attention to this matter. Please contact me or the ARC site contact with any questions or comments.

Sincerely,

John C. Skance
Environmental Business Manager
