Hello Jerry,

RE: Well Decommissioning for Fuel Leak Case No. RO0000516 and Geotracker Global ID T0600100714, Hooshi's Auto Service, 1499 MacArthur Blvd, Oakland, CA 94602

All soil gas wells and monitoring wells were destroyed per Alameda County Public Works requirements last week. CRA is currently preparing the Well Destruction Report and waiting for waste disposal analytical to properly dispose the soil waste drums generated during the well destruction activities.

In order to include the waste disposal activities in the final Well Destruction Report, I'm requesting an extension to **January 10, 2011**.

Anticipated Schedule:

- Receive waste laboratory analytical by **December 21, 2010**
- Profile waste drums and transport off site to disposal facility by **December 29, 2010**
- Receive final copy of waste manifest and include in final Well Destruction Report by **January 10, 2011**.

Thank you for your consideration.
