

former Cleuson bulk plant  
2001 Versailles  
Alameda

12-21-95

MEMO to file:

Informed by Jeff Monroe (Touchstone Development)  
that "tank" to be removed 12/22/95 turned  
out to be a small vessel (~20 gal) instead  
(PHOTOS). Tank closure cancelled. Touchstone  
will contact ACDEH next week to determine  
how this project will be finalized.
