Dear Mr. Mazzone and Mr. Eggen:

This letter confirms the completion of site investigation and remedial action for one 600 gallon diesel underground storage tank and for the solvent contamination present at the above mentioned location.

Based upon the available information and with the provision that the information provided to this agency was accurate and representative of site conditions, no further action is required on the referenced property.

This notice is issued pursuant to a regulation contained in Title 23, Division 3, Chapter 16, Section 2721 (e) of the California Code of Regulations.

Please contact Madhulla Logan at (510) 567-6764 if you have any questions regarding this matter.

Very truly yours,
