Subject: Formal Notification of Intent to Proceed with Proposed Work Described in the Work Plan for Additional Subsurface Investigation and Design and Permitting of Vapor Extraction System at ARCO Station 2152, 22141 Center Street, Castro Valley, California.

Dear Mr. Seery:

This letter is submitted by RESNA Industries, Inc. (RESNA) on behalf of ARCO Products Company to serve as formal notice of our intent to proceed with the work described in the subject Work Plan submitted to your agency by RESNA on October 21, 1991. The above-referenced Work Plan was submitted to your office in direct response to your written formal request for technical reports addressed to Mr. Charles Carmel of ARCO (dated September 4, 1991). A formal letter of initial response to your letter was sent to you by Mr. Carmel on September 26, 1991 followed by the October Work Plan you requested. We have tried contacting you several times by telephone and have left messages which, until today, have not been returned. This is the second letter we have sent since delivery of the Work Plan to your office. The first letter was a request for you to review the Work Plan (1st letter sent January 7, 1992).

??
when,
who

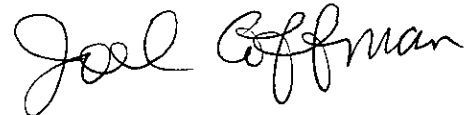

To date, we have not received any written response to the Work Plan you specifically requested. Therefore, proceeding under the requirements of Title 23, Article 11, Chapter 16, Sections 2722 (b)(5) and 2726 (c); ARCO intends to implement the Work Plan on February 1, 1992. This letter is a formal notification of ARCO's intent under 2726 (c)(1).

Formal Notice of Intent to Implement Work Plan
ARCO Station 2152, Castro Valley, California

January 23, 1992

If you have any questions or comments, please call us at (408) 264-7723 or Mr. Carmel at (415) 571-2469. Thank you.

Sincerely,
RESNA

Joel Coffman
Project Geologist
