Subject: Site Status Update for ARCO Station 2152, 22141 Center Street, Castro Valley, California.

Dear Mr. Seery:

This letter provides an update on investigation and remedial activities conducted for the above-referenced site. This update covers site activities performed during November 1991, and site activities anticipated for the month of December 1991.

Status of Previous Months Activities:

November 13, 1991: Performed monthly monitoring of groundwater monitoring wells to determine depth-to water in each well.

Anticipated Work to be performed in the Next Month:

- o Continue groundwater monitoring and sampling program for this site.
- o Submit to BAAQMD a completed Authority-to-Construct/Permit-to-Operate Application to allow for installation of the proposed vapor extraction system.
- o Initiate bid package preparation to install the proposed vapor-extraction system.
- o Upon approval by Alameda County Health Control Services Agency (ACHCSA) of October 21, 1991 Work Plan, will proceed with work.

Site Status Update
