Department of Environmental Health
80 Swan Way, Room 200
Oakland, California 94624

Subject: Site Status Update for ARCO Station 2152, 22141 Center Street, Castro Valley, California.

Dear Mr. Seery:

This letter provides an update on investigation and remedial activities conducted for the above-referenced site. This update covers site activities performed during December 1991, and site activities anticipated for the month of January 1992.

Status of Previous Months Activities:

December 10, 1991: Submitted Authority-to-Construct/Permit-to-Operate Application to BAAQMD to allow for installation of the proposed vapor extraction system.

December 27, 1991: Performed monthly monitoring of groundwater monitoring wells to determine depth-to-water in each well.

Anticipated Work to be performed in the Next Month:

- o Groundwater monitoring will continue.
- o Initiate bid package preparation to install the proposed vapor-extraction system upon Alameda County Health Care Services Agency (ACHCSA) approval.

Site Status Update
ARCO Station No. 2152, Castro Valley, California

January 10, 1992
61026.01

- o Submit Completed Plans and Specifications to the City of Castro Valley Building, Planning, and Fire Departments to secure a building permit prior to installation of the proposed vapor abatement system.

If you have any questions or comments regarding this letter, please call us at (408) 264-7723.

Sincerely,
RESNA
