Subject: Site Status Update for ARCO Station 2152, 22141 Center Street, Castro Valley, California.

Dear Mr. Seery:

This letter provides an update on investigation and remedial activities conducted for the above-referenced site. This update covers site activities performed during April 1992, and site activities anticipated for the month of May 1992.

#### **April 1992 Activities**

- Performed quarterly groundwater monitoring and sampling.
- Continued Draft Report of Limited Subsurface Environmental Investigation for onsite soil borings drilled and sampled in February 1992.
- Met with the County of Alameda Public Works Agency on April 7, 1992 to determine building planning and zoning department requirements.

#### **Work Anticipated for May 1992**

- Monthly groundwater monitoring will continue.
- Submit Draft Limited Subsurface Environmental Investigation to ARCO.
- Submit draft Design Package including plans and specifications for installation of the proposed vapor extraction system.

Site Status Update  
ARCO Station 2152, Castro Valley, California
