Re: 23rd & Valdez

Dear Mr. Wistar:

Enclosed for your files are recent documents regarding The Tribune's Phase II evaluation and remediation of its property at 23rd and Valdez in Oakland. Dames & Moore will send you a copy of their Phase II report, which is due shortly. If you have follow-up questions, I would suggest that you contact The Tribune's attorney, Tomme Young, of Morrison & Foerster (677-6356). Tomme can then be in touch with Mike Johnson here at The Tribune.

Very truly yours,

Erica B. Grubb

Dear Mr. Wistar:

In connection with a major restructuring of The Tribune's operations, I will be leaving my position as General Counsel, effective June 26, 1990.

I have very much enjoyed our association over the last several months, and I will send you an announcement of my next career move when it occurs. In the future, you should contact Mike Johnson, our CFO, directly regarding The Tribune matters on which you have been consulted.

Very truly yours,

Erica B. Grubb
