Re: Completed DWR-188 Forms
Former Chevron Service Station No. 9-3356
19201 Center Street
Castro Valley, California

Mr. Kan:

Enclosed are a completed DWR-188 forms for well abandonment's recently completed at the former Chevron Station referenced above. These DWR forms are for the recent well abandonment of wells MW-1 through MW-3 at 19201 Center Street, Castro Valley, California.

On March 22, 1996, V&W Drilling from Rio Vista, California properly abandoned the three wells by overdrilling the well casing, seal, and filter packs from each boring. The empty borings were then backfilled with cement grout which was tremied from total depth to ground surface.

If you have any questions or comments, please call me at (707) 935-0601.

Sincerely,

Timothy J. Walker
Project Manager
