**Re: Closure of Monitoring Wells at 2710 Foothill Blvd., Oakland  
CA, 94601**

Dear Messrs. Calvert and Polito:

This is to inform you that our office has received concurrence on the recommendation for site closure for the above referenced site. Prior to issuance of the Remedial Action Completion Certificate (RACC) we must receive documentation of the proper closure of the three (3) monitoring wells at the site. As an alternative, the RP may also provide a written statement indicating what type of regular inspection and safety precautions will be taken to insure the integrity of the existing wells.

Please notify me of your intentions in regards to the well so I may facilitate site closure.

You may reach me at (510) 567-6765 should you have any questions.

Sincerely,

Barney M. Chan  
Hazardous Materials Specialist
