Subject: Notification of Consultant Change
Former Exxon Service Station 73567
3192 Santa Rita Road, Pleasanton, California

Dear Mr. Wickham:

Exxon Mobil Corporation recently transferred the consultant responsibilities for the above-referenced site from Environmental Resolutions, Inc. (ERI) to ETIC Engineering, Inc. (ETIC). Please update your records to reflect this change. ERI performed third quarter 2007 groundwater monitoring and sampling at the site on August 2, 2007, and submitted the report *Groundwater Monitoring Report, Third Quarter 2007*, dated September 28, 2007. ETIC will carry out future work at the site, including the upcoming assessment activities approved in the agency correspondence dated September 7, 2007. In accordance with electronic correspondence dated November 21, 2007, ETIC will submit the results of the assessment activities by March 3, 2008.

Copies of all correspondence should now be sent to:

Mr. Bryan Campbell, P.G.
ETIC Engineering, Inc.
2285 Morello Avenue
Pleasant Hill, CA 94523

If you have any questions or require any further information, please contact me at 510.547.8196 or Mr. Bryan Campbell of ETIC Engineering, Inc. at 925.602.4710 ext. 24.

Sincerely,

JCS
Jennifer C. Sedlachek
Project Manager
