Jerry,

I request an extension of the due date for a well destruction report specified in ACEH's May 17, 2010 letter from June 28, 2010 to July 28, 2010. CRA submitted a drilling permit application to Alameda County Public Works Agency and scheduled drilling for 6/25/10; but they have lost CRA's check and can not tell us how long they will take to approve the drilling permit.
