**Dear Ms. Jakub:**

This letter prepared by Stantec Consulting Corporation (Stantec) on behalf of ConocoPhillips, is to notify you that Stantec's *Additional Assessment Report*, dated October 15, 2008, documenting site assessment work performed in May 2008 was uploaded to the Alameda County Environmental Health Services (ACEHS) ftp site on February 2, 2009. Due to an oversight on Stantec's part, the report was uploaded to the GeoTracker database on October 16, 2008, but was never uploaded to the ACEHS ftp site. Stantec apologizes for this oversight, and fully understands that all documents submitted to the ACEHS are to be submitted via the ACEHS ftp site. Stantec will work to see that this does not occur again.

If you have any questions, please do not hesitate to call.

Sincerely,

**STANTEC CONSULTING CORPORATION**
