Steven: I left a message on your voice mail this morning, since you were not in on Fridays.

I wondered if you received the email from Woody, wherein he sent you the corrected signature page, and also sent it electronically, as required. I also asked if you finished the first of three submittals you were working on, Wednesday, and are we #2, or #3 on the stack now? Also do you have an estimated date for our work plan yet?

thanks for your help.
