Subject: Sunol Tree Gas

Jerry,
I am presently preparing the draft CAP for the Sunol Tree Gas station in Sunol. I am finding that much of the historical data is not on the Geotracker website. Much of this data was collected from 2002 to 2004 by Clearwater Group. I have been in contact with Clearwater Group to collect this data but at present I have not received the data. The due date for submittal of the Draft CAP is Oct 27. I request an extension of the submittal date to December 15, 2010 so that the draft CAP will be a comprehensive review of all data collected to date in compliance with California Code of Regulations (CCR), Title 13, Division 3, Chapter 16, Article 11, Section 2725. Thank you for your attention to this matter.
