Paresh,

I am responding to your letter dated July 1, 2010 related to a Fuel Leak Case (RO0002456) at the above referenced site. The City of Oakland donated this site to the non-profit, Dignity Housing.

Sorry about the delay in responding. Because of our difficulty in finding funds for this project, I was not able to respond to you earlier. We just found some money, and assigned this work to one of our on-call consultants. We will submit a work plan for the MTBE investigation by the end of next week. Hope you are okay with it.

Thanks.
