Subject: Notice of Enforcement Referral; Fuel Leak Case No. Fuel Leak Case No. RO0002460 and GeoTracker Global ID T0600100647, Mobil Givens Investment Company, 6398 Telegraph Avenue, Oakland, CA 94609

Dear Mr. Hill:

This is a notice of an enforcement referral for the subject site. Site Responsible Parties have not completed work as requested by Alameda County Environmental Health (ACEH) and are recalcitrant in implementing site investigation activities. As a consequence, ACEH is referring this site to the San Francisco Bay Regional Water Quality Control Board for enforcement actions.

On March 17, 1986 four underground storage tanks (USTs) were removed from the site. The waste oil and one of the 5,000-gallon USTs were reported to have contained holes. Groundwater is reported to have contained free phase hydrocarbons. A groundwater sample is reported to have been collected; however, a laboratory report for this sample has not been submitted. Despite several requests no further work none has been conducted. Analysis for MTBE has not been conducted.

Please be aware that not all historic documents for the subject fuel leak case may be available on GeoTracker. The complete historic case file for this site is located on the Alameda County Environmental Health website at: <http://ehgis.acgov.org/dehpublic/dehpublic.jsp>.

Should you have any questions, please contact me at (510) 639-1287 or send me an electronic mail message at [barbara.jakub@acgov.org](mailto:barbara.jakub@acgov.org).

Sincerely,

Barbara J. Jakub, P.G.  
Hazardous Materials Specialist
