Mr. Adams,

You should be able to obtain the report from the Alameda County Environmental Health website. Online case files are available at the website <http://www.acgov.org/aceh/index.htm>.

Mr. Wickham:

I left you a message this morning regarding the subject site (Geotracker Id# T06019744728) specially regarding obtaining the Oct 14, 2008 document entitled "Site Investigation Report" prepared on Chevron's behalf by Conestoga-Rovers. This document was commented upon in your November 10, 2008 letter response to Chevron and the Beck Trust.

I have been retained by Monroe Wingate, the lessee of the subject property to review relevant documents.

I would appreciate it very much if you could forward the Oct 14 report in a pdf format to this email address as I am unable to locate it on the Geotracker site. Alternatively a fax copy would suffice; my fax # is 510-237-1783.

Thank you in advance
