Subject: Re: 2075 Williams Street, San Leandro. Approval letter for Well Abandonment W...

Hi Cherie,

Good morning!

We have the driller scheduled to begin on Monday 2/22/16, and the well destruction is expected to take 4 days. We will then need to characterize and then dispose of the drums, and we will also need to get all of the Well Completion Reports filled out and signed by the driller and then transmitted to James Yoo.

I request that the report submittal date be extended to 3/31/16.

We will be applying for the drilling permits this week.

Please let me know if you need any additional information.

Thank you!

Paul

Dear Chris – the attached letter approves your work plan (also attached) for well abandonment prepared by Paul King for the former Watkins Terminal Site at 2075 Williams Street in San Leandro. Please submit the completion report by February 26, 2016. Thank you.

Sincerely,

Cherie McCaulou
