Dear Mr. Wickham:

Per your letter dated December 14, 2007, we are supposed to provide a Soil Excavation and Soil Boring Report to the county on May 23, 2008. Due to the down turn of the housing market, we have hard time to borrow the fund from banks to do the soil clean up. We would like to request an extension for the report deadline for six (6) months so that we can find a lender for the fund to clean up the land.

We hope that things will be better with banks funding and we can borrow the money for this project soon. In the mean time, we appreciate your understanding our financial hardship. If you have any question, please call me at (408) 425-4523 or send me an electronic mail message at [tuong@tranvu.com](mailto:tuong@tranvu.com). I hope to hear from you soon.

Sincerely,

  
Tuong Tran
