Dear Mr. Peacock -

In response to your letter of Nov. 29, 1989,
underground storage tanks were removed
from subject property during February 1987
as evidenced by attached copy of
"Certificate of Disposal", H & H Ship Service Co.

Also attached is copy of Brawn & Caldwell
Laboratories analytical report of 11 Feb. 1987.

We trust that the enclosed copies will
provide identity to our documentation
filed in February 1987.

Sincerely,

NOTICE OF LEGAL OBLIGATION

Dear Mr. Balaan:

Our records indicate that there are underground tank(s) at your site at the above facility.

In accordance with the California Code of Regulations, Title 23, Chapter 3, Subchapter 16 Underground Tank Regulations you must perform one of the following actions:

1. Submit a tank closure plan to this Department as required by Article 7, 2670, or
2. Apply for a permit as required by Article 10, 2710.

Notify this Department within 10 days of your intentions and to obtain the necessary instructions and forms.

Please note that section 25299 of the California Health and Safety Code states that any operator or owner of an underground storage tank is liable for a civil penalty of not less than five hundred dollars or more than five thousand dollars per day for failure to obtain a permit, or failing to properly close an underground storage tank, as required by section 25298.

If you have any questions concerning this matter, please contact this office at 271-4320.

Sincerely,

A handwritten signature in cursive script that reads "Thomas F. Peacock".

Gentlemen:

We have been notified by the Department of Health Services that you have been issued an EPA ID Number (captioned above) which is used for recording and tracking the movement of hazardous waste.

In accordance with the Hazardous Substance Tax Law:

"Every person who operates a facility for the disposal of hazardous waste, generates 5 tons or more of hazardous waste in a fiscal year, disposes of hazardous wastes on premises owned or controlled by him or her, or submits hazardous wastes to others for disposal shall register with the Board."

A questionnaire is provided on the reverse side of this letter for you to complete. It is necessary for you to complete it and return it to us immediately so we may determine if you are required to be registered with the Board.

If you have any questions, please feel free to contact this office.
