Steven,

As of today, we have not heard back from either property owner adjacent to 1549 32nd Street that we are attempting to get access agreements from. I'll try calling them because we asked for a response by April 25th.

Steven,

Attached is the revised "Proposed Soil Boring Location Map" sent with the access agreements. Access agreements have been sent Federal Express to the property owners of record for 2851 and 2859 Helen St with a request to reply by April 25, 2008. The owner of 2851 Helen is New Light Christian Church in Berkeley and the owner of 2859 Helen is the Bank of New York, Simi Valley.
