from: **Bruce Rucker**

date: **12/10/03**

subject:

pages: **2 (including this cover sheet)**

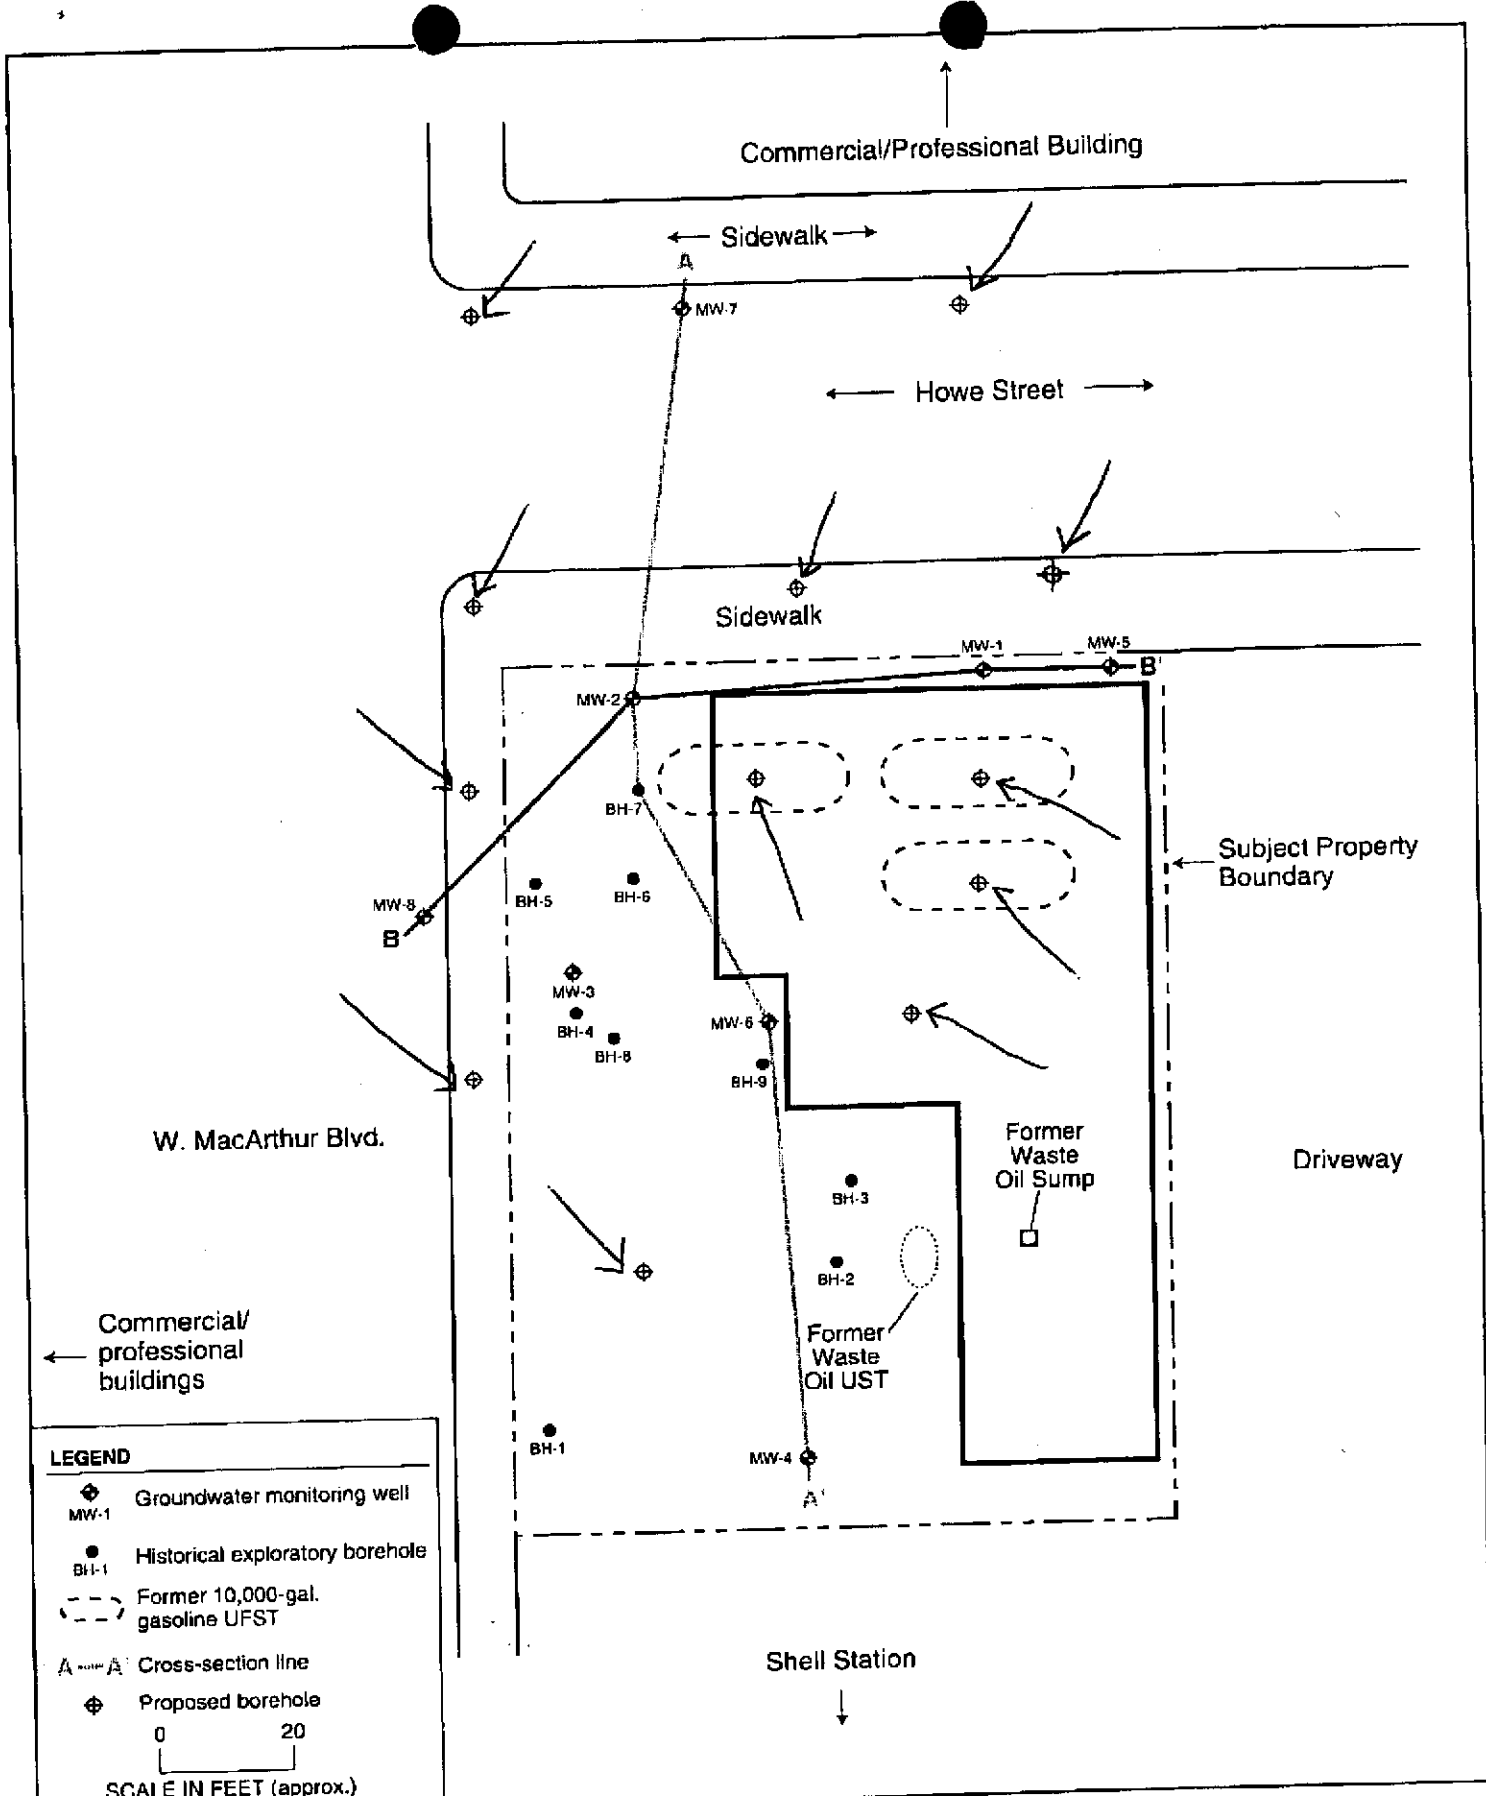

NOTES:

Don -

Here is the site plan showing our revised borehole locations. We will be sending this out today. If you would like to have us move/add/delete any locations before we send out the final, please call us today. Thank you in advance.

p.s. Hopefully you will also have today an answer to the groundwater monitoring vs. water supply well survey task.

Regards, Bruce
