Received e-mail from Barney Chan, who'd received phone call from Mr. Stas Neyman, (805-637-7837); he's a perspective buyer interested in purchasing the house from the Developer; the environmental status as an open case was listed on the disclosure form; I described the Site Cleanup Program (SCP) and mentioned that the only way I could look at the site was if the property owner sent ACEH funds to enable ACEH to conduct research to determine what needed to be done to move the site to closure. I would send a letter to the property owner listed on the Assessor's Office web site.

Mr. Neyman's e-mail address is: [stas.neyman@gmail.com](mailto:stas.neyman@gmail.com)
