Received voice mail from Masoud Dehdari (Prudential Realty) who was trying to sell the house (510-909-0507); I described the Site Cleanup Program (SCP) and mentioned that the only way I could look at the site was if the property owner sent ACEH funds to enable ACEH to conduct research to determine what needed to be done to move the site to closure. I would send a letter to the property owner listed on the Assessor's Office web site.

Mr. Dehdari's e-mail address is: Masoud@askmasoud.com
