Matthew,

Based on the circumstances detailed in your e-mail correspondence, the requested 2 week extension is acceptable.

Sincerely,

Paresh C. Khatri

Subject: Rush Property 28th Street

Paresh--

We attempted to abandon boring B-2 yesterday with the help of Gregg Drilling. We expected that we would be able to remove the installed casing and backfill with cement. Unfortunately, the casing could not be simply removed. The regulator directed us to drill out the boring which we were not able to do with the available equipment.

We are scheduled to return to the site the first full week of January with a rig capable of drilling inside the building. The submittal date for the "Soil and Water Investigation Report Addendum" is currently December 30, 2008. I would like to request a 2-week extension so that we can include the boring abandonment as part of the addendum. Please let me know if it is possible.

Also, we just received EDF files for Dublin Toyota and Rush-28th Street. I hope to have the files uploaded to Geotracker next week. Please contact me with any questions.
