Hello Tim,

If the report is not listed on our website, then we do not have it since all documents in the case file have already been scanned.

Hi Paresh,

I was reviewing the documentation on the LOP site for 1685 24th Street, Oakland and did not see the April 27, 2007 Subsurface Investigation Report. Can you check your files and see if you have a copy? If not, I will get another statement signed by Jabari Herbert and upload a copy.

Thanks, Tim
