Vicky,

Are images of the well records missing? I received the legend and an excel file listing wells found in the search radius, but don't see anything that would show me the actual well records. This is the first time I've conducted a well survey through Alameda County, forgive me if the records are not normally distributed.

Thanks,
Mike

You requested a 2000' radius search.

I added 2S3W Section 6, tracts EFG, nothing found in E or F. Also no results for Section 7 tract D, and 2S4W Section 1 (either J or R) or Section 12 tract A.
