Jerry

I emailed Tom this morning to get the signed cover letter and perjury statement for the report submittal and got an auto-reply that he is out of the office until Monday the 18th. I hope it is OK that we wait until Monday the 18th when Tom returns to upload the report so we can include the perjury statement.

Extending the submittal date to June 15, 2012 is fine.

Hello Jerry.

I'm sending this note as an update to our work at Brush Street. Baseline has prepared a draft report and we are in the process of reviewing it. I expect the final draft will be ready next week. The compilation of all the background/potential source area information took a little longer than we had hoped, thus a slight delay.

I believe the report presents what we had discussed on our call - a document that will allow our identification of next steps in the various areas of the property, as well as providing a foundation for evaluating the possibility of a property division.

I'd like to not rush the completion of the report. May we extend the submittal deadline by 9 workign days until June 15?

Thanks very much for all your help.

Sincerely,

Tom McCoy

Jerry, Markus & Jim,

I have a few questions related to Jerry Wickham's letter about how to proceed with the next phase of the work. Is everyone available for a conference call work at either Thursday at 9:30 AM or Friday at 2:30 PM?
