Michell Grissott, paralegal, Weinbery, Roger & Rosenfeld, 337-7336

Have judgement against owner, to be paid when owner sells property

He info says county is holding up the sale of the property as have not cleared UST contamination

I discussed recent ltr with her, initial PSA only has been performed. Cahr not complete, contamination extends offsite & potentially co-mingled with McDonalds site.

Explained site is in beginning of investigation & not closeable.

She will arrange for periodic file reviews to monitor site
