Company: Union

Start: Thu 3/4/2010 9:30 AM
End: Thu 3/4/2010 9:50 AM
Duration: 20 minutes

John Delmaris calls about progress on the cleanup of this site. I inform him that a letter was sent out after John Bushini died to request closure from the consultant which I have not responded to because of state board resolution 2009-0042 which does not allow me to approve corrective action until all of my sites are reviewed for closure. I also give him the website address so he can print off the last directive letter and correspondence from the consultant.
