11/14/2005. Dave McDermott 510-293-2434 will be the new RP contact. Mark Criswell no longer works for ANG. Wanted to know what he needs to do now. I told him the next step will be getting a directive letter from me that is likely to ask for groundwater sampling. Letter should be out in 1-3 weeks.

Sent letter on 12/2/2005.
