Hello Barbara,

We get to work together again! Pangea respectfully requests a 30-day extension to October 2, 2008 to submit the reports requested in your letter dated July 25, 2008. The previous consultant has provided us with some of the requested information and some of the EDF files have been uploaded to Geotracker. We are awaiting additional information and will upload the requested reports as soon as we receive them. Thank you for your consideration.

P.S. Say hello to Jim for me.
