Environmental Health

Dear Ms. Drogos:

ERAS Environmental, Inc. (ERAS) understands you have been sent a \$5,000.00 oversight fee deposit by NAS Construction, agent for the owner and occupant (Reliance Products) of the subject property. At their request, we are transmitting ERAS Phase 1 Environmental Site Assessment report that contain historical information regarding past owners and uses of the Property. ERAS understands that all of the recommendations made by ERAS have been completed.

Included with this letter are copies of available Sanborn map for the Property since they were not included in the report and some were obtained after the report was issued. The building records and Sanborn maps indicate the following:

- 1912 – Oakland Warehouse Company (Sanborn)
- 1940 – National Lamp Works (Oakland Building)
- 1951 – Oakland Lamp Division of the GE Company (Sanborn)
- 1958 – GE (Oakland Building)
- 1963 – California Cotton Mills (Oakland Building)
- 1967 - California Cotton Mills (Sanborn)
- 1969 – Reliance Products (Oakland Building)
- 1989 – Reliance Upholstery (Oakland Building)

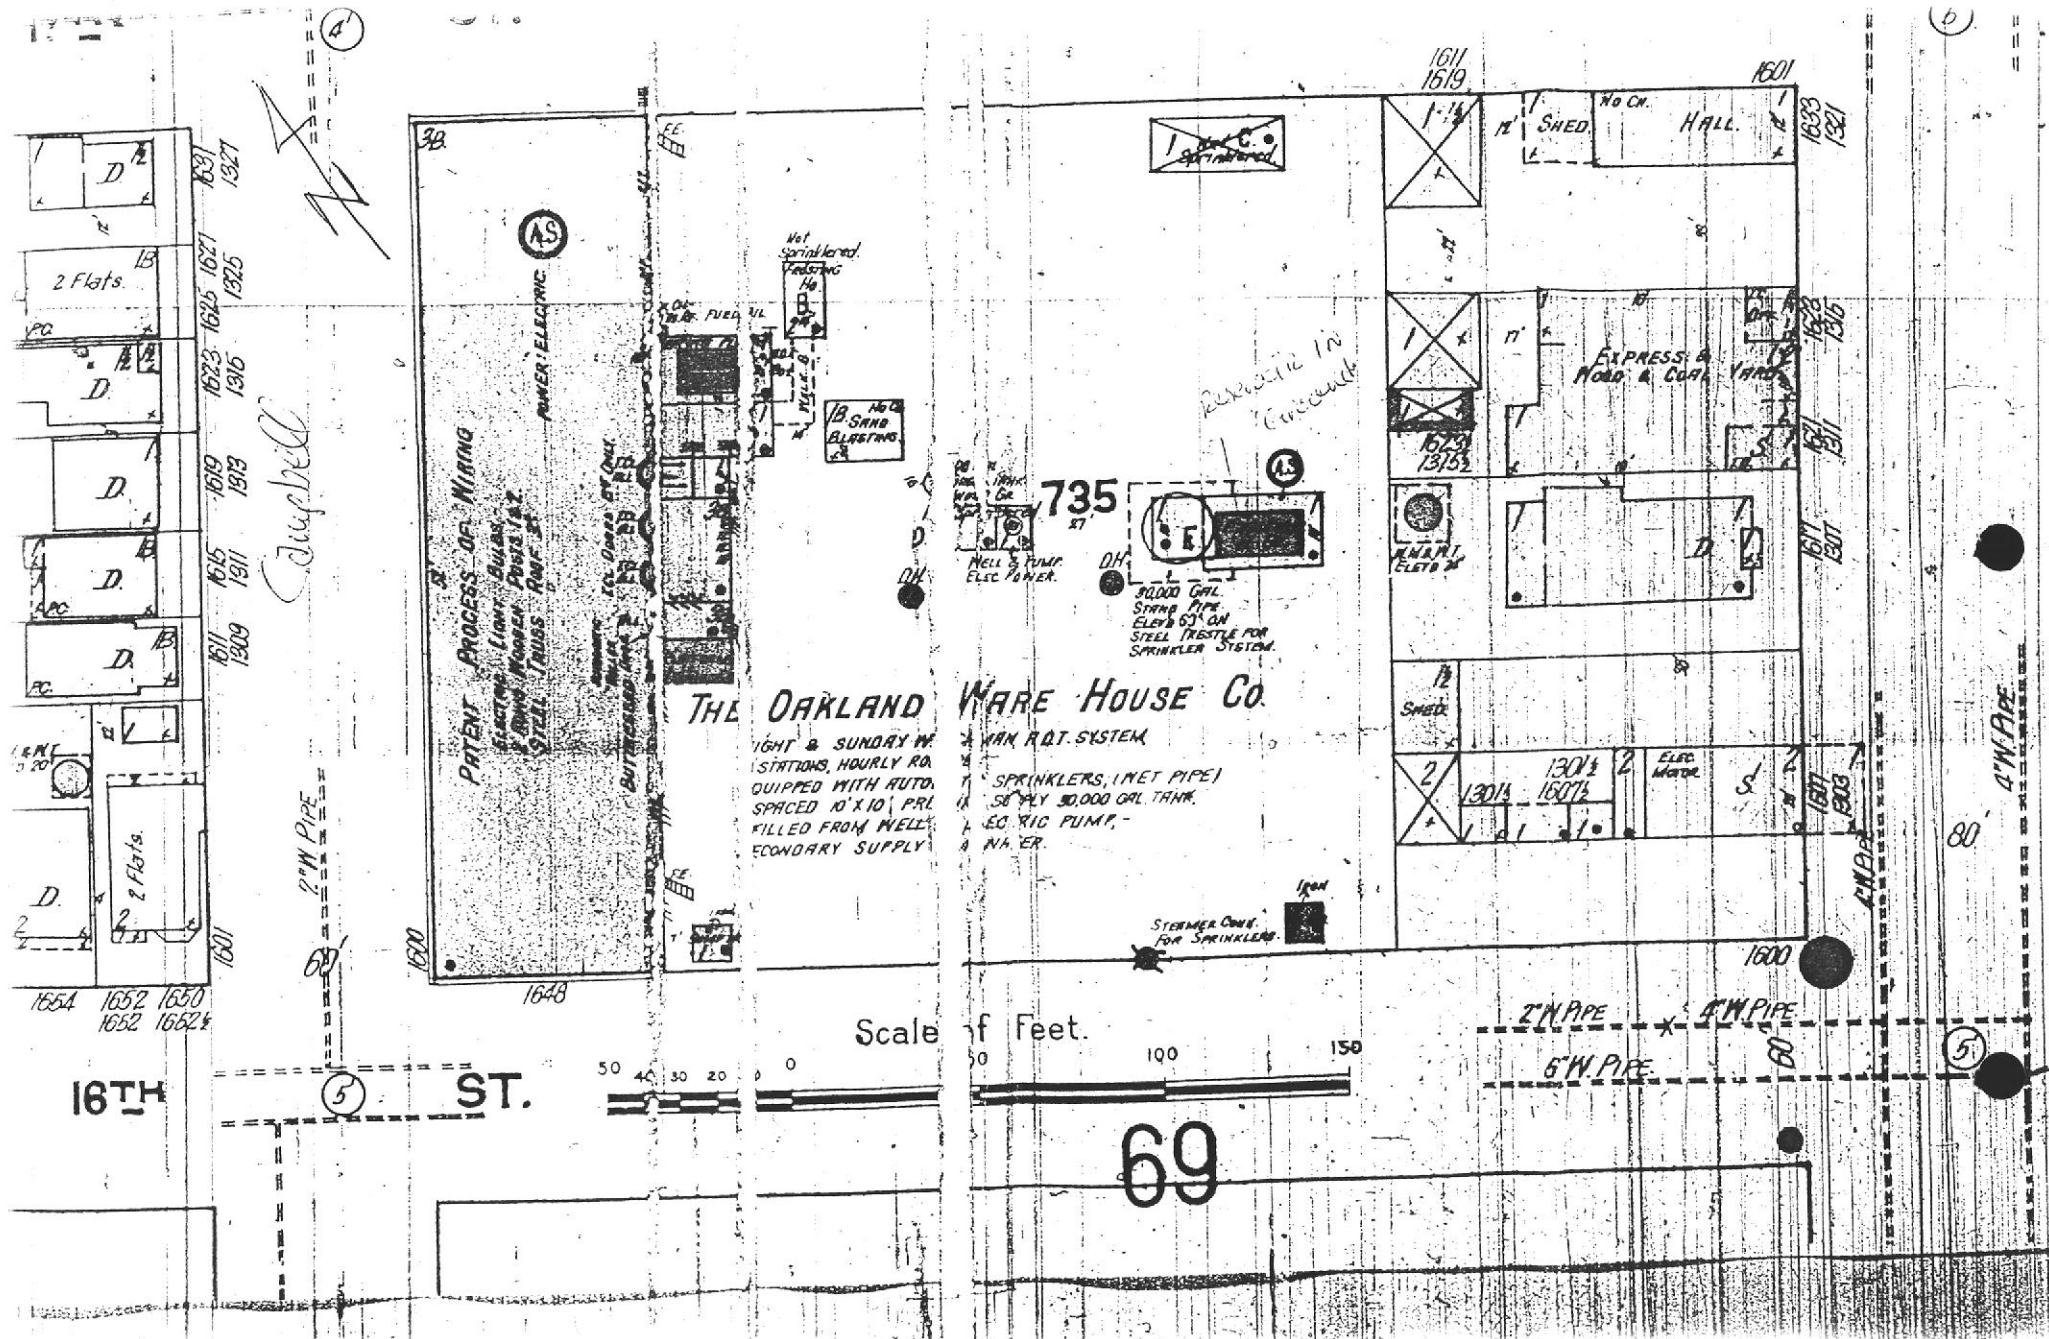

Please call if you have any questions about the work performed by ERAS.

Respectfully, ERAS Environmental, Inc.

David Siegel, R.E.A. II, President
