David from Hayward RV Storage called re NTC; doesn't have scanner so can't convert reports to PDF, not currently at computer but walk him through access to Geotracker and to ACEH website which has PDF reports he could use as a start. Any additional info / reports would be potentially useful. He'll look into claiming site in Geotracker, let him know if any responsibility remains claiming it doesn't increase or decrease responsibility, just a state requirement and formality.
