Entry Type: Phone call
Start: Wed 12/15/2010 10:26 AM
End: Wed 12/15/2010 10:26 AM
Duration: 0 hours

Phone call with Bruce Myers 559-271-9700 of Salem Engineering Group. Informed him that soil vapor sampling report was received last week. I had not reviewed the report. They are planning to conduct baseline sampling consisting of soil and groundwater sampling to establish conditions prior to installing service station.
