Dear Ms. Sarmiento:

As requested by your letter of August 13, 1987, we have reviewed our files for U.S. Steel's Containers Products Division, located at 1849 Oak Street, Alameda, CA.

Our records reveal that an inspection of Container Products Div., was held on June 20, 1986. (Copy Attached). No violation of California Hazardous Waste Law or Title 22, regulations were noted at the time of inspection. Please note that no soil or other samples were taken at the time of inspection.

Inspections made at those properties between Clement and the estuary, did not reveal any contamination within 2,000 feet of this site.

This statement is limited to information available to this department and does not reflect other information, which may be accessible to other agencies or businesses involved with this property.

If you have any questions, please contact Edgar B. Howell, III, Senior Hazardous Materials Specialist, at 874-7237.

Sincerely,

*Rafat A. Shahid*
