Subject: Emerystation West Deed Restriction ~COR-082825~

Mark,

In regards to the 3-18-14 Amendment to Declaration of Covenants, Conditions and Restrictions for Emerystation West, which is Parcel 1 shown on Parcel Map 7258 recorded on August 7, 1998, at Book 236 of Maps, Pages 42 & 43, Series No. 98-273580, in the Official Records of the Recorder of Alameda County, California, we would like to have a brief meeting with you to review tie-up steps with Alameda County Environmental Health Services. Specifically, Health Services issued a No Further Action letter (August 1998) on the property with two restrictions, one of which regarded the deed restriction. We think they should be notified of the recent modification as a formality, for the record. When we meet we can bring copies of the applicable documents to walk through the history on the dated matter.

I will come to the meeting, and possibly Peter Masson/CRA and Geoff Sears of Wareham, depending on their availability. I am available to meet on:

Tuesday April 22, Wednesday April 23, 2 pm or later or Thursday April 24, 1 pm or later. Please let me know a convenient date for you.

Regards,
Fred
